

JAMES O. THOMASON SCHOLARSHIP
Criteria and Eligibility

- This scholarship consists of \$2,000 annually, for up to four (4) consecutive years, to help a student further their education in print or photo journalism, advertising, public relations or mass communications. Scholarship dependent upon available funding.
- The applicant must be a full time resident of South Carolina and a senior in a public or private high school in South Carolina.
- The recipient must attend an institution of higher learning in South Carolina.
- The recipient must declare a major in electronic, print or photo journalism, advertising, public relations or mass communications to qualify.
- Payment will be made to the same person for four consecutive years of college related to a major in the above disciplines. Scholarship dependent upon available funding.
- The recipient must maintain a GPR of 2.5 or above for a given academic year to receive funds for the following year. If the GPR falls below the 2.5 average for any academic year, the student will not receive any further funds, and a new recipient will be sought.
- Return both pages of the completed application, essay on a topic selected by the Hampton Fund, personal essay and autobiography, transcript of high school grades, college board scores, rank in high school class and a recent photograph **no later than January 31, 2024** to:

HAMPTON FUND SCHOLARSHIPS, PO Box 2641, Columbia, SC 29202

- The Board of Directors of the Harry Hampton Wildlife Fund will make the final approval of the recipient and notify the winners. Their decision is final.
- Applications are available by September 30, 2023 at:
www.HamptonWildlifeFund.org
via email at jim.goller@hamptonwildlifefund.org
by phone at: 803-600-1570

*****TOPICAL ESSAY:** The applicant will write a 1,200 word (approximate) essay on the following topic: In the United States, more than 50% of the human population lives within 50 miles of a coastline. 26% of South Carolina's total population is living in its eight coastal counties, with growth in coastal counties outpacing the rest of the state. What are the impacts of this population increase on our coastal natural resources and what can be done to mitigate those impacts?

*****PERSONAL ESSAY/AUTOBIOGRAPHY:** On separate paper, the applicant will write a brief autobiography to include a description of his/her career ambitions in the fields, why he/she desires a college education, plus explain his/her interests in wildlife, natural resources, the environment, coastal resources or related topics and why he/she will be good investment if awarded this scholarship. (No more than three pages typed).
